HWI

NAME:

Sou Hamura

MAJOR:

Statistics and Data Science

FAVORITE MATH CLASS .

Math 3A

DO YOU LIKE MATH?
.

I find it enjoyable only when I know what is going on...

FAVORE PIZZA:

Margherita

BORING FACT ABOUT YOURSELF

I'm not a risk taker

WHY ARE YOU TAKING THIS CLASS?

Because this class is one of the requirements for my major

WHAT CHALLENGES DO YOU ANTICIPATE IN THIS COURSE?

I had a quite hard time understanding the concepts in math 4a which I learned about linear algebra for the first time and this class is basing on.

EXPLAIN WHAT STRATEGIES YOU USE WHEN THE WORK IN CLASS IS CHALLENGING

I give up on taking lecture notes and try pay my full attention to what the professor says and taking notes of it. when i'm back home, i open the lecture material and go over the concept with notes, youtube, and any other available resources until i understand it.

HOW CAN I HELP YOU THE MOST SUCCEED IN THIS CLASS?

I wish you to go over the concepts step by step and step. In addition,
